Bobbles or errors ends the round

# Outfield Target Toss

Concept:

Field ball and throw to the target

Outfielders call position and target

Caller must hit field and hit target

Next in line must do the same and so on

Just like HORSE

▶ Outside

▶ Position Targets (Sock Nets) at each base and home

▶ Mix throwing from each position

▶ Inside

▶ Targets on the corners of gym on the walls

▶ Mix throwing spots

# Countdown

-  Figure out the average time it takes for each player to field a fly ball or groundball, throw and hit the glove of the receiver.
-  Start with either the OF, INF, or Pitcher
-  Each player has to make their time or you go back to the starting spot
