

## ***Nebraska Coaches Association Proudly Announces Partnership with Concordia University***

The Nebraska Coaches Association (NCA) is pleased to announce a partnership with the the Master of Arts and Master of Science programs in Coaching and Athletics Administration programs at Concordia University, the nation's premier program in educational athletics. Concordia University Nebraska has recently joined forces in an effort to expand and improve this unique opportunity in higher education.

The transformational program is designed for working professionals seeking a degree that broadens their knowledge, sharpens their skills and advances their career.

The degree(s) can be completed 100% online, face-to-face, or in an individually-blended format. Thousands of coaches and athletic leaders have successfully completed the program and are affecting positive changes in programs and communities throughout the world.

This student-centered program has a proud legacy of graduates. Look at what these MCAA alumni have to say about their experience:
