The Greens

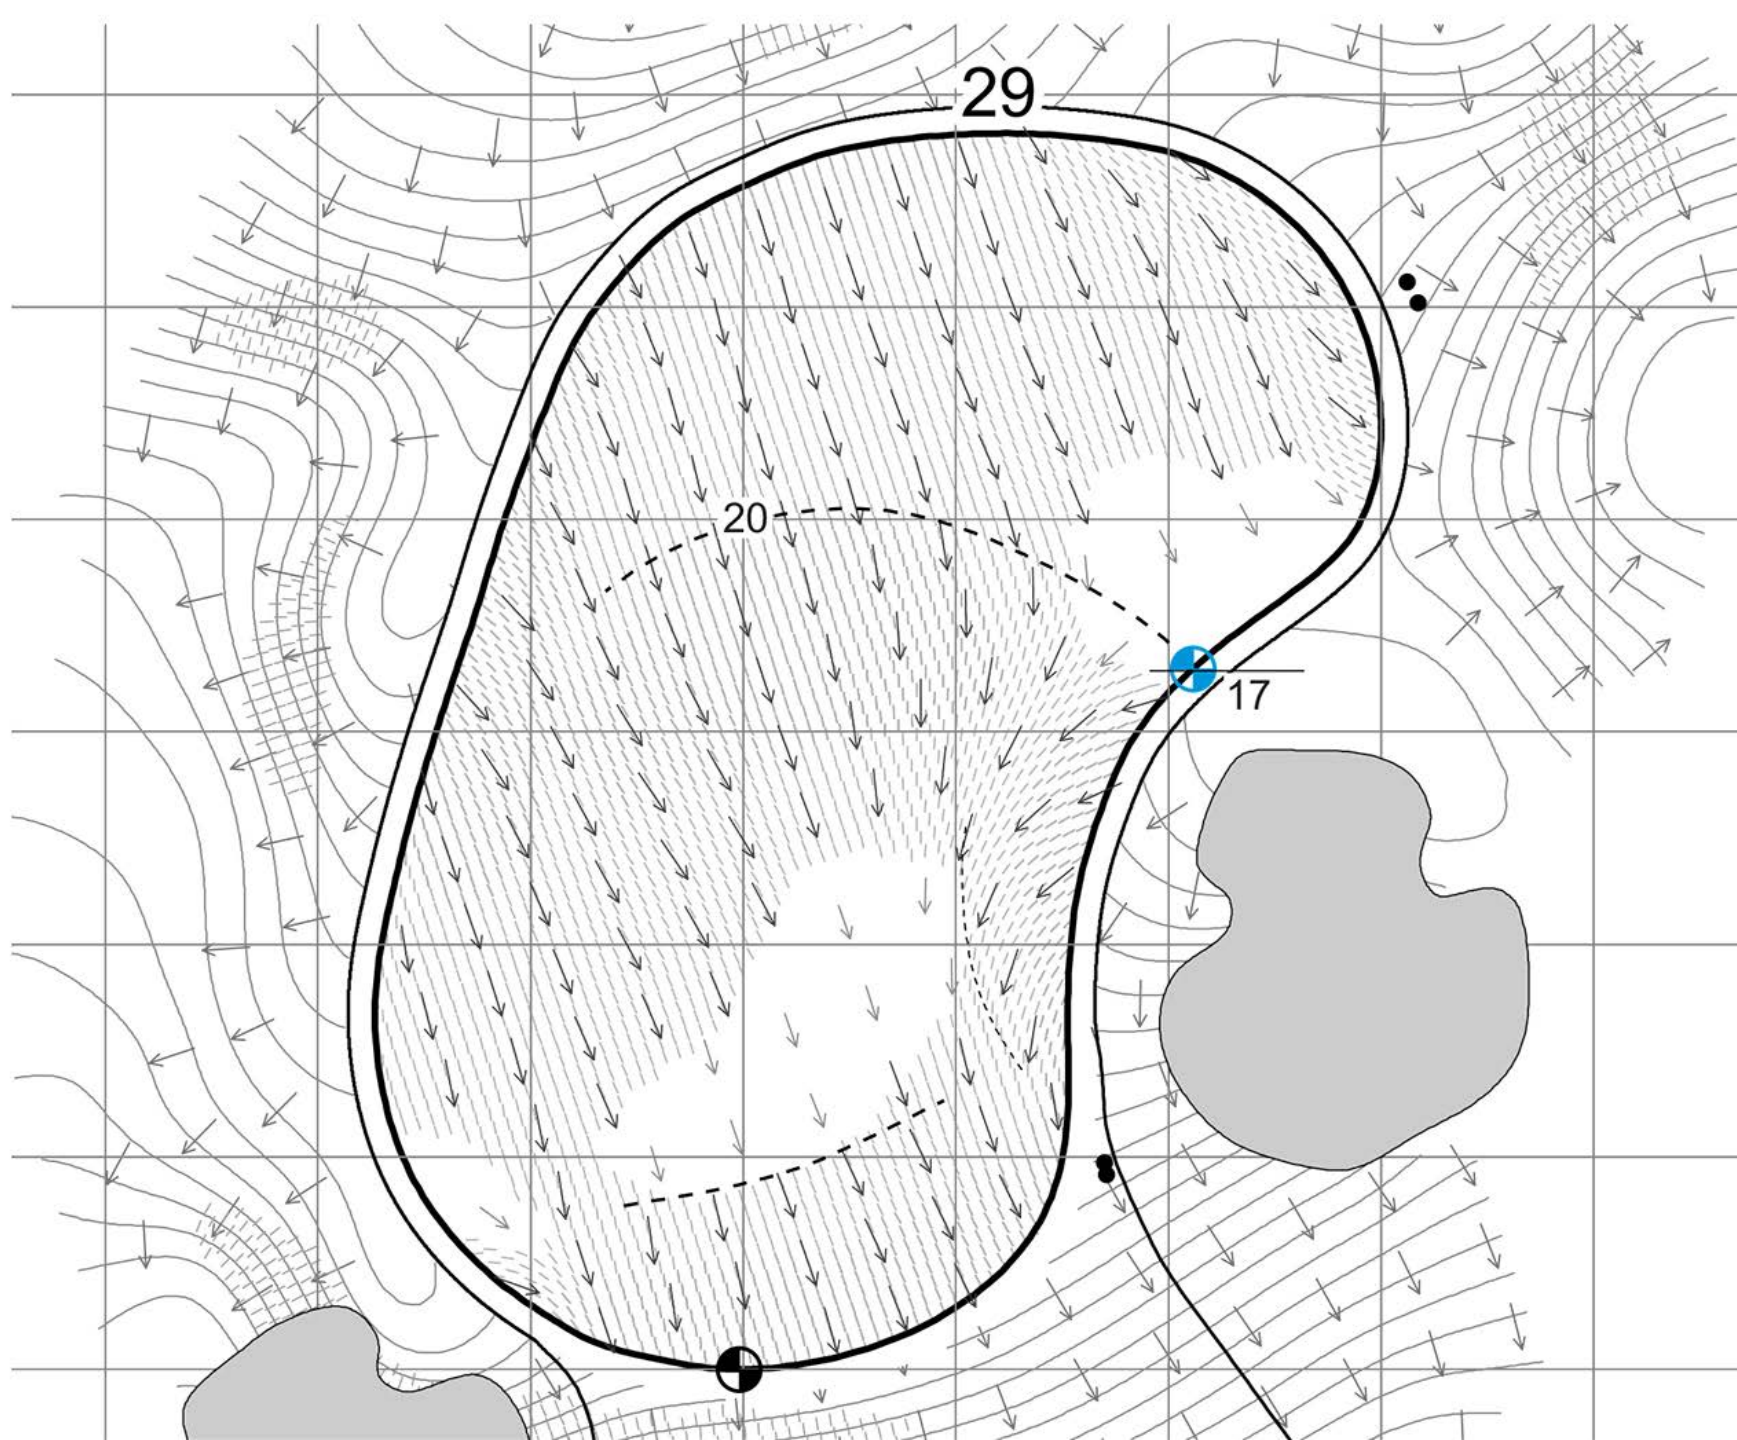

- Always start from the green
- Work your way backwards

The Greens

- Find your flat spots
- Find the fall lines
- Map out where holes could possibly be
- Figure out green firmness
- Look at dimensions

The Greens

- Look at the grass and how they mow it
- Check how they receive chip shots
- Be diligent!!!

Around The Green

- Look at hills and slopes
- Where can I get up and down from
- How does the green look from places
- What fits my eye
- What clubs do I need

Around The Green

- How far away can I be
- How soft is the sand
- Standing water
- Grain of the grass
- Where do people walk
